## Materials and Tools

50g Rico Design Essentials Crochet (100% Mercerised Cotton) (1 ball will make many wreaths)

1 mm or 1.25mm crochet hook depending how tight you crochet (the recommended size is 1.75mm for this yarn but I prefer a firmer look)

30mm plastic rings

Darning needle to sew away yarn ends

## Abbreviations used

ch = chain

sc = single crochet

dc = double crochet

slst = slip stitch

st = stitch

[ ] = Repeat instructions within the brackets by number following or to end

## Instructions

Round	Instructions
1	Sc all around plastic ring, ensuring the total no of sc are in multiples of 6 + 2 and the plastic ring is not showing through. For the 30mm ring as above I worked 59sc around it. Slst to beginning sc of this round and ch1 to start the next row. Do not turn.

2	[ sc into next st , ch 4, miss 2 st ] all around ending with slst to beginning sc of this round. Do not turn
3	Slst to middle of first arch, [ sc 1 around arch, ch4,] into every arch, ending with slst into beginning sc of this round. Do not turn.
4	Slst to middle of first arch, sc 1, [ into next arch dc 7, into following arch sc 1 ] x 9, into next arch dc 7, slst to beginning sc of this round . Do not turn
5	[[sc 1 into next dc, followed by 2ch] x 6, sc in 7 <sup>th</sup> dc in that arch, slst to sc of following arch, slst to first dc of next arch]] x 9, [sc 1 into next dc, followed by 2ch] x 6 and end with slst to beginning st of that row.
	Do not break yarn and ch 40, then fasten off. This will form the loop to hang this lovely ornament on your tree. Sew the end back onto the ring.
